AUSTRALIAN MOTOR RACING SERIES FURTHER REGULATIONS

Round 2 Morgan Park: Friday 5th – Sunday 7th April, 2019

SCRUTINEERING/SAFETY CHECK

A safety check of all competing vehicles must be conducted prior to entering the circuit for qualifying. Safety check, including apparel and some vehicle components, will commence on **Friday 5th April from 8.30am & Saturday morning 6th April.** Safety checks of all categories will be carried out in the Scrutineering Bay.

TIMING

All competition vehicles will be electronically timed with a MYLAPS transmitter (which if paid with entry fee) can be collected from the timing room from 9am Friday 5th April. **Please note there is no timing on Friday.**

MINIMUM PRACTICE REQUIRED

All drivers, other than those who have previously competed or practiced at Morgan Park Raceway shall be required to complete at least three Practice/Qualifying laps. In any case and subject to the approval of the Clerk of Course any driver not completing such laps at the meeting shall be relegated to the rear of the field at the start of their first scratch races.

GRID POSITIONS

Grid positions will be as per category sporting regulations, if grid allocations are not specified grid positions shall be determined on qualifying times for the first scratch race for each category and thereafter all grids shall be "progressive" with the finishing order from the preceding event being used to determine the starting order.

Race Procedures:

For all races the 1 minute board will be shown in the Pre grid area. Entry to the Pre grid area will be closed at the 1 minute board.

A 2 x 2 grid configuration will apply. The start procedure shall be as per category sporting rules. If a start procedure is not listed the race shall be a standing start. Competitors are to then proceed on a warm up lap as per category sporting regulations before stopping on the main grid for a race start. Once the grid is set drivers will receive a 5 second warning followed by the red light held for 3– 5 seconds. **ONCE THE RED LIGHT GOES OUT DRIVERS ARE TO COMMENCE RACING.**

Rolling Starts for categories: proceed on warm up lap behind the Safety Car. On approach to turn 10, the lights on the Safety Car will be extinguished. On the exit of Turn 10 a 2 x 2 grid configuration will apply, on approach to the start finish line the Starter will signal a race start by waving the Australian Flag.

Any car that encounters a problem during the warm up lap, unable to keep up or take its place on the grid, may be driven into pit lane instead of proceeding to the grid. The car may start from pit exit, at the direction of an official and start the race once all the vehicles have passed. If the car is driven to the grid it must start from rear of grid. Do not take your original grid position.

Should the race be stopped by the use of a RED flag or lights, all cars are to slow down and proceed with caution to pit lane where they will line up and await further instruction from Officials. Should the race be restarted, grid positions will be set as per the race order at the last completed lap prior to the display of the red flag or light.

RESULTS

For all competitors, results will be available on Speedhive & Natsoft websites or collected from Event Secretary's Office.

RACE VEHICLES

All competing vehicles must be kept in the Paddock area. Failure to do so may result in the competitor being excluded from the meeting. Competitors are also reminded that it is an offence to drive or tow an unregistered vehicle on public roads, or in the spectator area.

PITLANE

Mechanical Reversing of any vehicles in Pit Lane is strictly prohibited. Vehicles are to be manually pushed back by Crew or Officials only. This includes reversing into the carport from the lane. Mechanical Reversing in Pre-Grid may only be undertaken, when under direct control of an observer or spotter and only for a distance no greater than two vehicle lengths.
