

AMRS Round 1, Sydney Motorsport Park – February 18/19 2022

WELCOME TO SEASON 22 AMRS

Welcome to our awesome competitors, category managers and teams to season 2022 of the Australian Motor Racing Series (AMRS). Needless to say, both 2021/2020 are years we would all like to forget so here's to hoping Motorsport can recover over the coming year.

Season 2022 of AMRS will see one of the biggest years yet for the series, with no less than 6 categories committed for the year to run their championships inside our series, plus our fantastic media package brought to you by Fuzzy media, its going to be big!

We are pleased to confirm that entries are now open for Round 1 at SMSP.

ENTRIES:

Entries can be completed via our online portal which is live now: <https://amrseries.com.au/entry/>

Entries will close on **Wed 9th Feb 2022 at 5pm.** Whilst this date seems far away, it will be upon us very quickly once the new year has started! Please understand the success both of the series and specifically this meeting is dependent on your commitment, we need you to act now.

COVID POLICY:

As you are no doubt aware, the Covid situation is forever changing. With differing health regulations in most cases state by state.

If, in the lead up to the event there is a further Covid outbreak and NSW Health determine it is unsafe to continue with running the event, as I'm sure you can appreciate this decision will be completely out of our control but will need to be implemented based on the health warnings at the time.

Should this occur, we will refund your entry fee, less a small admin fee of 5%.

We cannot stress the importance of how a Covid outbreak can impact our meeting and for that matter the motorsport industry in general. Should you or anyone with your team/friends/family be experiencing Covid symptoms, please stay home (or ensure they stay home) but we as the promoter must be notified that this has taken place.

GARAGING:

Garaging will be prioritised to categories undertaking Enduro's at the event. Balance of garages will be on "First come First served" to the remaining competitors, getting your entry in early will strengthen your chances of securing a garage spot. Please note, garage pricing is sold as "a spot", with "2 Spots" per garage.

Lastly.....

Enjoy your weekend of Motorsport, we have all been starved of the sport we love for nearly 2 years Please respect each other both on and off the circuit, race hard but race fair and avoid contact at all times.

We look forward to seeing your entries roll in and seeing you in Feb for what is sure to be a great weekend of Motor Racing.

Yours in Motorsport
